

Description

A clear solvent recommended for thinning and cleaning most extremely flammable Helmiprene contact adhesives.

Benefits

- Fast Drying
- Non ozone depleting
- Contaminant free

Specifications

- **Base:** Blend of hydrocarbons
- **Viscosity:** Like water
- **Weight/Gal:** 6.83 lbs
- **Shelf Life:** 1 year minimum
- **Color:** Water clear
- **Packaging:** Drums, pails, gallons

Handling & Storage

- Consult the Material Safety Data Sheet prior to use.
- Keep container closed tightly when not in use.
- Liquid and vapor are extremely flammable.

Application

- In thinning adhesive, add a small quantity of solvent while thoroughly mixing until the desired consistency is reached. Be careful not to add too much solvent and/or add solvent too fast.
- In cleaning adhesive off substrates, **DO NOT** flood the area with solvent as it can work into seams and soften the adhesive and cause delamination. Use a cloth that is saturated with solvent, but not dripping. Keep the solvent exposure to edges and seams of the lamination at a minimum to avoid softening the bond line.
- Can also be used for cleaning brushes, rollers, equipment parts and for flushing through spray lines and spray guns.

Statements and recommendations made herein are based on tests believed to be reliable. However, no guarantee of their accuracy or completeness is made. Unless otherwise provided in written contract, products are sold without warranties or conditions express or implied. Purchasers must make their own tests to determine the suitability of our products for their particular purpose. Les affirmations et recommandations ci-dessus sont basées sur des tests éprouvés. Toutefois aucune garantie n'est donnée quant à leur précision ou plénitude. Sauf stipulations contraires dans un contrat écrit, les produits sont vendus sans aucune forme de garantie ou condition. L'acheteur doit faire ses propres essais pour déterminer si notre produit est approprié pour ses fins particulières.
